

## VIXEN

Yes, it's me.  
Vixen.

You've heard so much talk about me,  
you probably feel like you know me already.  
Well, you don't.

You don't know what it's like  
to be the world's most famous *victim*.  
Y'don't know what it's like to have *your* name  
used as a political rallying cry.

'Remember Vixen!'  
I don't want to be remembered for this.

Y'don't know what it's like to have your sexual  
history investigated.  
... And probed  
and examined and researched and the results tabulated  
& scored, & published in all the newspapers.
